

YOUR NEW POINT OF SALE APP FROM FOODA ONLY RUNS ON IOS.

Fooda's POS app and iPad are the perfect pair.

We recommend the 9.7" Apple iPad with 32GB of storage space.

Hint: Fooda Point of Sale works on any current iOS device. While we recommend an iPad for the sake of usability, you will be fine running the app on an iPhone.

No iOS device? No problem.

Purchasing an iPad is easy.

Apple's Website

iPads start at \$329 + tax on Apple's website.

Through Fooda

Choose from the following payment options:

- ① 1 payment of \$329 + tax
- ② Payments of \$80 per week for 5 weeks

When your iOS device arrives, you can access Fooda's new POS app, which provides a clear look at your restaurant's performance with Fooda.
